

Off-Site Data Prune Permission Form

Dear Valued Datto Partner,

This permission form provides authorization to Datto Inc.'s off-site cloud team to act as an agent on your behalf to permanently delete, or "prune", data related to one of your Datto devices, to a specified date.

By signing this agreement you understand that pruning is a permanent process that cannot be reversed or undone. You also understand that the data loss that will occur as a result of pruning and based on your explicit direction to Datto, Inc., is your responsibility and not that of Datto, Inc.

Please sign and date this form and attach it to a technical support ticket with the subject of "Offsite Data Prune Request"
